Job Posting

ID# 21005 – Archaeologist Field Technician

WHO ARE WE:

Located in the beautiful North Thompson valley, at Simpco Resources Group we provide environmental, management, and operational services while preserving Simpco culture and heritage with respect towards the environment. Our goals include creating economic growth from the commercial development of natural resources within the Simpco'ulécw (Simpco Territory) by being the major contractor and competing for work in both the public and private sectors.

T'micw-kt Cultural Services (TCS), Terra Archaeology Limited and Simpco Resources Group have partnered to provide professional archaeological and anthropological consulting services on Indigenous interests, that includes traditional knowledge and land use studies on behalf of Simpco First Nation within the Simpco'ulécw (Simpco Territory).

WHAT'S THE JOB?

Looking for fulltime **Archaeologist Field Technician** to join our team in the B.C. Interior who loves the outdoors, working a team and learning new things. The candidate must have knowledge of BC archaeology and the Heritage Conservation Act, ideally, has some experience in the permitting and reporting process. Opportunity to build your knowledge and professional experience, liaising with First Nations, clients, regulatory agencies while working in remote field locations.

This position can be based out of either Kamloops, Barriere, or Clearwater, B.C. with travel through out the Territory as required. Position requires working out of town, includes weekend work, and work in varying terrain and weather conditions.

WHAT YOU DO?

- Assist in the identification and recording of areas of archaeological potential and archaeological sites and traditional use sites.
- Assist in data collection and data management.
- Assist field reconnaissance and archaeological impact assessments for oil and gas, forestry, transportation, and other industries.
- Assist in Systematic Data Recovery (excavation).

- Assist with report writing and communication with various stakeholders.
- Work closely with other environmental professionals, environmental discipline leads, archaeologists and First Nations.
- Promote a strong safety culture and work collaboratively within SROLLP culture.

WHO ARE WE LOOKING FOR?

- Pursuing or have obtained an undergraduate degree in Archaeology or Anthropology.
- Strong knowledge of MS Office Suite and other software.
- Familiarity with mapping (including handheld GPS units and mapping software), pedestrian survey, subsurface testing, excavation, data collection, field note taking, and laboratory experience is an asset.
- Familiarity with the provincial heritage assessment regulatory environment in BC.
- Ability to follow and implement technical and safety training and instructions.
- Skill with snowmobiles, ATVs, and UTVs is an asset.
- Skilled in the operation of field equipment is an asset.
- Able to meet the physical demands of strenuous field work in a variety of field conditions.
- Valid Class 5 BC Driver's License with clean abstract.
- First Aid Level 1 with CPR.

Salary: \$50,000 - \$60,000/annually

Note: Pre-Employment Drug and Alcohol Testing may be required

Application Deadline: March 22, 2021

Thank you for your interest, however, only those selected for interviews will be contacted.
Preference will be given to qualified applicants of Aboriginal ancestry as per
Canada's Human Rights Act and legislation surrounding Employment Equity.

Please submit cover letter and resume via email to careers@simpwresourcesgroup.com with the Subject Line:
