Job Posting

ID# 21023 – Assistant Superintendent

WHO ARE WE:

Located in the beautiful North Thompson valley, at Simpcw Resources Group we provide environmental, management, and operational services while preserving Simpcw culture and heritage with respect towards the environment. Our goals include creating economic growth from the commercial development of natural resources within the Simpcw'ulécw (Simpco Territory) by being the major contractor and competing for work in both the public and private sectors.

WHAT'S THE JOB?

Simpco Resources LLP is looking for an experienced **Assistant Superintendent** to coordinate the company's construction, operation, and maintenance activities of a cross-country pipeline used to transport crude oil, petroleum products, natural gas, or coal slurry from transmission to distribution terminal. Working closely with the Superintendent, the Assistant Superintendent will ensure the safety of all workers on site and ensure subcontractors regularly communicate and enforce their safety programs to meet, or exceed, OSHA safety standards.

This is a contract position requiring in camp stays on a specified rotation located in the BC Interior. Position requires working out of town, includes weekend work, and work in varying terrain and weather conditions.

WHAT YOU DO?

- Provide supervision to multiple crews and services.
- Prepare, monitor, and drive project schedule with operations team to ensure budget and timelines are met.
- Estimate and manage project labor and material requirements.
- Establish, implement, and oversee site safety plans and quality control measures,
- Manage resources to maintain and enhance critical equipment performance.
- Review forecasts of customer demand to determine additional pipeline construction or alteration requirements on pipeline system and facilities.
- Direct and coordinate environmental, cultural heritage, archeological, permitting and one-call requirements.
- Develop plans to meet pipeline owner demands and requests engineering section to design and prepare specifications for facilities and capacity and assign project personnel for on-site direction.

- Direct and coordinate through other management personnel, scheduling, and maintenance activities to ensure efficient operation personnel and subcontractors and minimize loss.
- Authorize procurement of subcontractors, equipment, materials, and supplies required for operations and maintenance.
- Establish and develop professional relationships with on-site staff, providing leadership and guidance for pipeline activities.

WHO ARE WE LOOKING FOR?

- Professional Engineering, Technology designation or Journey person certification preferred.
- 5+ years of relevant work experience with multiple projects in a Heavy Industrial, Civil, or pipeline material.
- Proven leader who can motivate people and maintain effective relationships with clients and crew.
- Have valid safety tickets such as CSTS, Standard First Aid, Ground Disturbance Level 2.
- Thorough knowledge of all aspects of construction (technology, equipment, methods); craft agreements, jurisdiction, negotiations, engineering, cost control schedules and safety required.
- Positive reputation in the market with sub-contractors.
- Must have extensive understanding of safety regulation requirements and ability to ensure personnel are adhering to these safety regulations.
- Capability to identify, troubleshoot, foresee, or resolve problems before they become major issues.
- Valid driver's license and clear abstract.
- Must be willing to travel and stay over night when required.
- Excellent leadership, communication, and computer skills.
- Valid driver's license and clean abstract.
- Contractor's must meet the ISN Contractor requirements including provide a WCB Clearance Letter.

WHAT CAN WE OFFER YOU?

- Competitive Compensation
- Positive and collaborative team
- Meaningful work

Note: Pre-Employment Drug and Alcohol Testing is required for this role.

Application Deadline: April 16, 2021

Thank you for your interest, however, only those selected for interviews will be contacted.

Preference will be given to qualified applicants of Aboriginal ancestry as per ***Canada's Human Rights Act and legislation surrounding Employment Equity.***

Please submit cover letter and resume via email to careers@simpcwresourcesgroup.com with the Subject Line: **ID# 21023 – Assistant Superintendent** by 11:59pm on the closing date.
