
Job Description

Simpcw First Nation Health Program provides health services to the Simpcw First Nation in Barriere, BC. The Simpcw Health Program is currently seeking a full-time Registered Nurse who is willing to acquire immunization certification if not already obtained.

Job Responsibilities:

- To provide comprehensive, community health through programs such as Home and Community Care, communicable disease control, immunizations, and health promotion throughout the lifespan to include our individual, maternal-child, family, student and Elder populations.
- To participate as a team member within the Simpcw Health Program.

Qualifications:

- Bachelor of Science in Nursing degree or Nursing diploma.
- Immunization Certification or commitment to obtain once hired.
- Practicing license under the College of Registered Nurses of BC.
- Valid Class 5 driver's license.
- Provides one (1) personal and two (2) professional references and a criminal records check.
- Previous experience with community health and/or home care nursing preferred.
- Previous experience working within a First Nation would be an asset.

Knowledge and Abilities:

- Knowledge of First Nations culture and traditions.
- Must be able to work effectively in an independent and team environment.
- Willingness to use a collaborative approach in case management.
- Budgeting and financial planning skills.
- Program planning, proposal writing, and reporting skills.
- Personal holistic self-care plan.
- Knowledge of trauma-informed practice.
- Strong verbal and written communication skills.
- Strong computer skills.

Application deadline: 2021-05-07

Job Types: Full-time, Permanent

Salary: \$65,000.00-\$88,000.00 per year

COVID-19 considerations:

All employees, visitors, and staff are required to be screened prior to entering the Health Department, including a screening questionnaire, temperature check, and hand sanitization. Masks and social distancing required.
